

FOI Request 3793

NHS Warwickshire North CCG

Gluten Free Prescribing Policy

Can you please inform me of the above policy and when it is due to be reviewed?

The CCG does not have a specific policy for prescribing of gluten free foods. However, prescribers are encouraged to follow the Coventry & Warwickshire Area Prescribing Committee guidance at: <http://www.coventrywarksapc.nhs.uk/Guidelines/Guidelines/Oral-Nutritional-Support?Highlight=gluten+free>
